

Decalogue of environmental guidelines

1. Throw trash in authorized places. Reduce, reuse and recycle, giving good use to selective waste collection containers.
2. Don't throw ash and cigarette butts in the sand.
3. Evacuation (deposition, urination ...) in the sea or on the beach is prohibited.
4. Do not wash on the beach or cove using soap, shampoo or any similar product.
5. Do not access the beaches or coves with glass containers.
6. Do not make fire on the beach or cove.
7. Do not cook on the beach or cove.
8. It is forbidden to access with animals to beaches or coves, within the bathing season, except if they are dogs intended for rescue or assistance to people with disabilities.
9. Use sound equipment at moderate volume. Noise pollutes.
10. Treat the island's flora and fauna with respect.
